The first annual Summer Streets FestAveAll invites our local residents to enjoy a little outdoor time in their neighborhood. In partnership with the City of Seattle, the Greater University Chamber of Commerce will host this new community event on Saturday, July 11th from 9 AM to 4 PM.

University Way NE will be closed to vehicle traffic from NE 45th to NE 50th to allow for music, food tasting, shooting some hoops, hanging out with friends, sidewalk chalk art, sipping iced drinks while reading a good book, and more. Experience lots of special sidewalk "happenings", sale displays, and community information tables.

Leave your car at home. Bring your bike down, walk or bus to us (buses will be diverted to 15th Ave for the day). Bring your kids, visit the Farmers Market at NE 50th and mosey on down the Ave for some fun in the sun.
